

***Projected 2014 Medi-Cal Eligibility
Among 18-24 Year Old Male Jail Detainees by County
Data Summary by County***

May 2012

Prepared by Community Oriented Correctional Health Services

Supported by the California HealthCare Foundation,
based in Oakland, California.

COMMUNITY ORIENTED CORRECTIONAL HEALTH SERVICES
Linking Community Health and Public Safety

Research Goal

- To help jurisdictions prepare for Health Reform, this research makes a reasonable projection of the size of the jail-involved population in California that is likely to be Medi-Cal eligible in 2014.

COMMUNITY ORIENTED CORRECTIONAL HEALTH SERVICES
Linking Community Health and Public Safety

Projected Statewide Total Medi-Cal Eligibility in 2014 for Jailed Individuals: Male, Aged 18-24

- **Approximately 69% of jail-involved male individuals between the ages of 18 and 24 in the state of California will be eligible for Medi-Cal benefits in 2014.**
- **Projected Statewide Annual Jail Admissions: 282,736**
- **Projected Statewide Medi-Cal Eligibility: 196,276**

COMMUNITY ORIENTED CORRECTIONAL HEALTH SERVICES
